Tool Name	Flipgrid
Website Link	[Flip (flipgrid.com)](flipgrid.com)
Tool Type	Communication and Collaboration
Capabilities	Allows students to upload video or audio of themselves, in response to prompts set by instructors
Teacher Testimonial	"I did a Flipgrid bookclub and this helped their speaking skills immensely. I also made a practice script for them before the speaking exams that they could upload to Flipgrid and I could give them feedback before the speaking exam. Parents got involved and would read the script with them." - Teacher C

Speaking Task #1

Kevin F   ▶ 7   👁 48   💬 5   🕐 1.6 hours of discussion

Choose one of the following Speaking part 2 prompts and respond for about two minutes.

1. Describe a memorable experience you had in nature. Explain where you were, what you did, and how it made you feel. Discuss the impact this experience had on your appreciation for nature.

2. Discuss a natural landmark or scenic place that you would recommend others to visit. Describe its location, unique features, and the activities one can engage in there. Share...
