

Handout 1

Part 1 : Speaking questions: Topic – Public Transportation

1. What kinds of public transport are there where you live?
2. Do you prefer public transport or private transport?
3. How do you often travel to work?
4. Is a bicycle a good means of transport?
5. **What are the advantages of public transport?**
6. Do you think that people will drive more in the future?
7. What could be done to improve the transport system in your area?

Part 2 : Using Guided questions

1. Start with a clear objective: Before creating guided questions, define the **purpose and desired outcomes** of the conversation. Knowing what you want to achieve will help you formulate relevant questions.
2. **Encourage self-reflection:** Use questions that encourage individuals to think about their feelings, experiences and contexts.
3. **Clarify and summarize:** recap or summarize key points from the discussion to ensure that everyone is on the same page and to reinforce important insights.
